COVID-19 GUIDELINES

Subcontractors, Vendors and Visitors

As the coronavirus situation evolves, our focus remains on supporting employee safety and prevention efforts, while preparing to serve clients under various scenarios. It is the intention of Yoder's Building Services to continue to follow Centers for Disease Control and Prevention (CDC) guidelines, as we navigate the uncertainties that we currently face with COVID-19. To that end, we ask for your cooperation and assistance in the field and in the office.

Please observe the following steps when on Yoder's project sites or in our office:

- Use "social distancing" around others as much as possible by maintaining 6' between other people
- Wash your hands often with soap and water for at least 20 seconds
- Avoid touching your eyes, nose, or mouth with unwashed hands
- Avoid close contact with people who are sick
- Clean and disinfect objects and surfaces
- Stay at home away from others if you are sick
- Cover your mouth and nose with a tissue when coughing or sneezing, then throw the tissue in the trash and wash your hands
- **Do not report to our projects (or office), if you have cold or flu-like symptoms (elevated temperature, fever, cough, shortness of breath)**
- If you have sick family members at home, you should monitor yourself closely prior to coming to work and exposing others
- Conduct office meetings and as many project related meetings as possible via conference or video conference calls

The following Self-Declaration should be conducted by each subcontractor, vendor, and visitor for all employees entering a Yoder's Building Services project site or office.

Any "YES" response results in denial of access*.

Self-Declaration by Subs, Vendors, and Visitors – ANY "YES" – DO NOT ENTER*

1 Have you returned from any COVID-19 affected area (currently defined by the CDC as Level 3 Travel Areas) within the past 14 days?

2 Have your immediate family or others to which you have frequent contact returned from any COVID19 affected area within the last 14 days?

3 Have you had close contact with or cared for anyone diagnosed with COVID-19 within the last 14 days?

4 Are you showing any signs of one or more of the following symptoms? Temperature >38°C (100.4 °F) or higher, cough, shortness of breath, difficulty breathing, tiredness?

YODER'S BUILDING SERVICES, IN ITS SOLE DISCRETION, RESERVES THE RIGHT TO LIMIT ACCESS TO ANYONE BELIEVED TO PRESENT A HEALTH RISK.
